

 The Institute for Marine Research	Case No.: 19/00762
Appendix 2 - Changes to the delivery after entering the contract	Page No. 1 of 1

Change agreement No. 1

1. BACKGROUND

In item 17 of the contract, use of change agreements over the course of the contract period is described. Any changes in the contract must appear in this document, if necessary by referencing additional documentation.

One change agreement is created for each change, and each change agreement is provided a unique number.
