FOR IMMEDIATE RELEASE

10 May 2019

RECOMMENDED CASH OFFER FOR EU SUPPLY BY MERCELL

TO BE EFFECTED BY WAY OF A SCHEME OF ARRANGEMENT UNDER PART 26 OF THE COMPANIES ACT 2006

1. Summary

The Boards of Mercell Holding AS ("**Mercell**") and EU Supply PLC ("**EU Supply**") are pleased to announce that they have reached agreement on the terms of a recommended acquisition of EU Supply by Mercell, which is intended to be implemented by way of a court-sanctioned scheme of arrangement between EU Supply and the Scheme Shareholders under Part 26 of the Companies Act, pursuant to which Mercell will acquire, at Completion, the entire issued and to be issued share capital of EU Supply.

2. Transaction terms

Under the terms of the Transaction, EU Supply Shareholders will be entitled to receive:

for each EU Supply Share **18.25 pence in cash** (the "**Offer Price**")

The Offer Price represents a premium of approximately:

- (a) 40.4 per cent. to the Closing Price of 13.0 pence per EU Supply Share on 9 May 2019 (being the Last Practicable Date);
- (b) 61.3 per cent. to the volume weighted average price of 11.3 pence per EU Supply Share for the 30 day period ending on 9 May 2019 (being the Last Practicable Date);
- (c) 84.6 per cent. to the volume weighted average price of 9.9 pence per EU Supply Share for the three month period ending on 9 May 2019 (being the Last Practicable Date); and
- (d) 86.1 per cent. to the volume weighted average price of 9.8 pence per EU Supply Share for the six month period ending on 9 May 2019 (being the Last Practicable Date).

The Offer Price values the entire issued share capital of EU Supply at approximately £13.1 million. It is not known how many of the EU Supply Convertible Loan Noteholders will choose to convert their EU Supply Convertible Loan Notes into EU Supply Shares but, if all of the holders of EU Supply Convertible Loan Notes convert their EU Supply Convertible Loan Notes into EU Supply Shares, the Offer Price would value the then entire issued share capital of EU Supply at approximately £15.7 million.

In so far as any dividend or other distribution or return of value is authorised, declared, made, paid or payable by EU Supply in respect of the Scheme Shares on or after the date of this Announcement and prior to the Effective Date, Mercell will be entitled to reduce the

Offer Price payable in respect of the Scheme Shares by the aggregate amount of any such dividend, other distribution or return of value except where the Scheme Shares are or will be acquired on a basis which entitles Mercell to receive the dividend, other distribution or return of value and retain it.

The Transaction will be conditional on, amongst other things:

- (a) a resolution to approve the Scheme being passed at the Court Meeting by a majority in number voting representing not less than 75 per cent. in value of the Scheme Shareholders who are on the register of members of EU Supply at the Voting Record Time, present and voting, whether in person or by proxy, at the Court Meeting;
- (b) each of the EU Supply Resolutions necessary to implement the Scheme being passed by the requisite majority of EU Supply Shareholders at the EU Supply General Meeting;
- (c) the Scheme being sanctioned by the Court; and
- (d) the Scheme becoming Effective by no later than the Long Stop Date.

The Transaction will be funded from Mercell's existing cash resources and facilities.

3. **Highlights**

Following the Transaction, the Enlarged Group will have:

- (a) an enhanced and strengthened product offering across the e-tendering market for both suppliers and buyers;
- (b) presence in additional European markets and a strong foundation for further European expansion;
- (c) cross-selling opportunities across a complementary customer base;
- (d) additional knowledge and expertise through the integration of EU Supply's employees and select senior management;
- (e) cost synergies driven by the complementary nature of the businesses and the ability to leverage the Enlarged Group's additional scale; and
- (f) improved R&D capabilities that will strengthen product innovation and over time accelerate new product launches.

4. **Recommendation**

The EU Supply Directors, who have been so advised by Stockdale Securities as to the financial terms of the Transaction, consider the terms of the Transaction to be fair and reasonable. In providing advice to the EU Supply Directors, Stockdale Securities has taken into account the commercial assessments of the EU Supply Directors. Stockdale Securities is providing independent financial advice to the EU Supply Directors for the purpose of Rule 3 of the Takeover Code.

Accordingly, the EU Supply Directors intend unanimously to recommend that EU Supply Shareholders vote in favour of the Scheme at the Court Meeting and the EU Supply Resolutions at the EU Supply General Meeting (or, in the event that the Transaction is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer) as the EU Supply Directors who hold, or are otherwise beneficially interested in, EU Supply Shares have irrevocably

undertaken to do in respect of the beneficial holdings which are under their control of, in aggregate, 11,472,314 EU Supply Shares (representing, in aggregate, approximately 16.0 per cent. of the EU Supply Shares in issue on the Last Practicable Date).

In addition to the irrevocable undertakings from the EU Supply Directors, Mercell has received irrevocable undertakings from certain other EU Supply Shareholders in respect of, in aggregate, 19,620,377 EU Supply Shares (representing, in aggregate, approximately 27.4 per cent. of the EU Supply Shares in issue on the Last Practicable Date) and a letter of intent from another EU Supply Shareholder in respect of 3,011,000 EU Supply Shares (representing approximately 4.2 per cent, of the EU Supply Shares in issue on the Last Practicable Date) to vote in favour of the Scheme at the Court Meeting and the EU Supply Resolutions at the EU Supply General Meeting (or in the event that the Transaction is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer).

In total, therefore, Mercell has received irrevocable undertakings and a letter of intent to vote in favour of the Scheme at the Court Meeting and the EU Supply Resolutions at the EU Supply General Meeting in respect of, in aggregate, 34,103,691 EU Supply Shares (representing, in aggregate, approximately 47.6 per cent. of the EU Supply Shares in issue on the Last Practicable Date).

Further details of these irrevocable undertakings and letter of intent are set out in Appendix 3 to this Announcement.

5. Scheme Document

The Scheme Document, containing further information about the Transaction, notices convening the Court Meeting and the EU Supply General Meeting and the expected timetable of the Scheme, together with the relevant Forms of Proxy, will be published and sent to EU Supply Shareholders as soon as practicable and, in any event (save with the consent of the Panel), within 28 days of this Announcement.

The timing of implementation of the Transaction will be dependent on a number of factors including availability of the Court. The Scheme is expected to become Effective early in the third quarter of 2019, subject to the satisfaction or (where applicable) waiver of the Conditions.

6. Comments on the Transaction

- (a) Commenting on today's announcement, Terje Wibe, Chief Executive Officer of Mercell, said:

"Mercell is pleased to announce the recommended cash offer for EU Supply. We believe the combination of the two companies will create one of the leading e-tendering solution companies in Europe. The Enlarged Group will be well-positioned to respond to the growing demand for e-tendering solutions, and the Enlarged Group will be able to offer a comprehensive technology platform to its customers with full demand and supply side offerings."

- (b) Commenting on today's announcement, Thomas Bergrehn, Chief Executive Officer of EU Supply, said:

"EU Supply has achieved a significant milestone in its development, with a profitable platform for growth achieved in 2018. EU Supply has grown its annual revenue from £1.8 million in the year ended 31 December 2013 to £5.1 million in the year ended 31 December 2018. Furthermore, in the year to date, EU Supply has achieved its highest ever rate of increase in annual recurring revenue run rate,

up in excess of 25%, without any higher staffing levels. We anticipate continued growth in annual recurring revenue during the coming months and years.

The Board recognises however the restrictions of being a relatively small quoted company and believes that the combination with Mercell creates significant synergies and the option to accelerate growth as part of a larger entity. This transaction also represents an attractive and quicker value proposition for all EU Supply Shareholders than what we expect would have been achieved in the short-to-medium-term on a standalone basis. The Board of EU Supply therefore, unanimously, recommends Mercell's Offer."

FOR IMMEDIATE RELEASE

10 May 2019

RECOMMENDED CASH OFFER FOR EU SUPPLY BY MERCELL

TO BE EFFECTED BY WAY OF A SCHEME OF ARRANGEMENT UNDER PART 26 OF THE COMPANIES ACT 2006

1. Introduction

The Boards of Mercell Holding AS ("**Mercell**") and EU Supply ("**EU Supply**") are pleased to announce that they have reached agreement on the terms of a recommended acquisition of EU Supply by Mercell.

It is currently envisaged that the Transaction will be implemented by way of a court-sanctioned scheme of arrangement between EU Supply and the Scheme Shareholders under Part 26 of the Companies Act, pursuant to which Mercell will acquire, at Completion, the entire issued and to be issued share capital of EU Supply (although Mercell reserves the right to effect the Transaction by way of a Takeover Offer under certain circumstances described in this Announcement).

2. The Transaction

Under the terms of the Transaction, which will be subject to the Conditions set out below and in Appendix 1 to this Announcement, and to be set out in the Scheme Document, EU Supply Shareholders will be entitled to receive:

for each EU Supply Share **18.25 pence in cash** (the "**Offer Price**")

The Offer Price represents a premium of approximately:

- (a) 40.4 per cent. to the Closing Price of 13.0 pence per EU Supply Share on 9 May 2019 (being the Last Practicable Date);
- (b) 61.3 per cent. to the volume weighted average price of 11.3 pence per EU Supply Share for the 30 day period ending on 9 May 2019 (being the Last Practicable Date);
- (c) 84.6 per cent. to the volume weighted average price of 9.9 pence per EU Supply Share for the three month period ending on 9 May 2019 (being the Last Practicable Date); and
- (d) 86.1 per cent. to the volume weighted average price of 9.8 pence per EU Supply Share for the six month period ending on 9 May 2019 (being the Last Practicable Date).

The Offer Price values the entire issued share capital of EU Supply at approximately £13.1 million. It is not known how many of the EU Supply Convertible Loan Noteholders will choose to convert their EU Supply Convertible Loan Notes into EU Supply Shares but, if all of the holders of EU Supply Convertible Loan Notes convert their EU Supply Convertible

Loan Notes into EU Supply Shares, the Offer Price would value the then entire issued share capital of EU Supply at approximately £15.7 million.

The Transaction is conditional on, amongst other things, the approval of the Scheme by Scheme Shareholders and the sanction of the Scheme by the Court. Further details on the Conditions are included in paragraph 13 of this Announcement.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the EU Supply Meetings and, if they attended and voted, whether or not they voted in favour.

The Scheme Document, containing further information about the Transaction and notices convening the Court Meeting and the EU Supply General Meeting, together with the relevant Forms of Proxy, will be published and sent to EU Supply Shareholders as soon as practicable and, in any event (save with the consent of the Panel), within 28 days of this Announcement.

The timing of implementation of the Transaction will be dependent on a number of factors including availability of the Court.

3. **Background to and reasons for the Transaction**

Mercell is a provider of e-tendering Software as a Service (SaaS) solutions in the Nordic region and tender alert SaaS solutions in the Nordic and Baltic regions. Mercell's strategy is to enhance its offering in Northern Europe, and to establish itself and grow in other areas of the European market.

Mercell believes that the acquisition of EU Supply will support its strategy by creating an Enlarged Group with:

- A presence in additional countries across Northern Europe, including the UK, the Netherlands, France and Germany. This will provide a stronger foundation for Mercell's longer term ambition of further European expansion.
- An enhanced product portfolio. EU Supply is primarily focused on the buyer side of e-tendering and, although Mercell also has a strong product offering for the buyer side, it has additional capabilities on the supplier side, including being able to provide tender alerts. This additional capability will improve and expand the Enlarged Group's e-tendering offering, delivering safe and efficient products and services to the whole public e-tendering market, as well as providing cross-selling opportunities across the Enlarged Group's widened customer base.
- Improved and complementary R&D capabilities. Both EU Supply and Mercell have strong track records of product development and the Enlarged Group's R&D resources and expertise will be highly complementary. This will enable the Enlarged Group to strengthen product innovation and over time accelerate new product launches.
- Cost synergies. It is anticipated that the key driver of cost synergies is the efficiencies that the Enlarged Group could deliver as a result of the complementary nature of the businesses and the ability to leverage the Enlarged Group's additional scale. Potential cost savings could be achieved through the transition to common administrative systems and centralising shared support functions.
- Additional skills and expertise through the combination of both EU Supply's and Mercell's employees and select management. Both EU Supply and Mercell have employees and management with experience and expertise in e-tendering software, which will benefit the Enlarged Group in the future.

4. **Recommendation**

The EU Supply Directors, who have been so advised by Stockdale Securities as to the financial terms of the Transaction, consider the terms of the Transaction to be fair and reasonable. In providing their advice to the EU Supply Directors, Stockdale Securities has taken into account the commercial assessments of the EU Supply Directors. Stockdale Securities is providing independent financial advice to the EU Supply Directors for the purpose of Rule 3 of the Takeover Code.

Accordingly, the EU Supply Directors intend unanimously to recommend that EU Supply Shareholders vote in favour of the Scheme at the Court Meeting and the EU Supply Resolutions at the EU Supply General Meeting (or, in the event that the Transaction is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer) as the EU Supply Directors who hold, or are otherwise beneficially interested in, EU Supply Shares have irrevocably undertaken to do in respect of the beneficial holdings which are under their control of, in aggregate, 11,472,314 EU Supply Shares (representing, in aggregate, approximately 16.0 per cent. of the EU Supply Shares in issue on the Last Practicable Date).

Further details of these irrevocable undertakings are set out in Appendix 3 to this Announcement.

5. **Background to and reasons for the EU Supply Directors' recommendation**

In its audited final results for the year ended 31 December 2018, released on 26 April 2019, EU Supply announced that it had achieved a maiden profit before tax of £0.4 million (2017: loss of £0.2 million).

Significant development resources were allocated in the second half of 2018 to build new services for buyers and suppliers, which are expected to underpin EU Supply's recurring revenue growth in the medium-term.

The development of EU Supply's micro procurement solution to existing and new customers is proceeding to plan and is expected to further increase recurring revenue growth. Over the last couple of years, EU Supply has focused on achieving its target of profitability and more recently on developing additional services to generate increased recurring revenues. The Board of EU Supply believes that EU Supply is therefore well placed to focus on adding sales to its profitable platform to deliver on its growth plan and, with its SaaS model, has the potential to benefit from operating leverage. Against this backdrop, EU Supply has reached a significant stage in its development given the current state of the market and the likely requirement for additional accelerated investment sales staff, continued investment in technology, building of a qualification service delivery team to best capitalise on the micro procurement opportunity and the need for further economies of scale to reduce costs and to deliver future earnings growth. The EU Supply Directors have also considered the advantages of EU Supply being part of a larger, complementary group with enhanced scale and synergistic services in order to accelerate its growth.

Accordingly, the EU Supply Directors have evaluated the Transaction and concluded that its terms are fair and reasonable for the following reasons:

- the Transaction represents an opportunity for all EU Supply Shareholders to realise value for their investment in cash at an attractive premium to the current price per EU Supply Share;
- Merzell represents a natural partner for EU Supply and there is a strong strategic and commercial rationale for a combination of the two complementary businesses;

- the Transaction accelerates the potential strategic development of EU Supply as part of the Enlarged Group, which the EU Supply Directors believe would allow it to better capitalise on its European footprint; and
- the Transaction enhances the prospects of EU Supply for the benefit of all of its stakeholders, including its customers and employees.

6. **Irrevocable undertakings in relation to the Transaction**

9. **Information on EU Supply**

EU Supply is the UK holding company of the EU Supply Group, a Sweden-based e-commerce business, which has an established, multilingual e-procurement platform for e-sourcing, e-tendering and contract management, tailored for the highly regulated European public sector market.

Since 2006, the EU Supply Group has invested heavily in employing specialist programmers to add functionality, supporting legal compliance for its customers as required and security features to its Complete Tender Management™ ("CTM™") platform to ensure that it is ideally placed to secure new contracts with EU Member States and their contracting authorities.

The EU Supply Directors believe that the CTM™ platform is one of the easiest to use and most functionally advanced solutions available in the market. The CTM™ platform is used by over 8,000 European public sector bodies in nine EU/EEC member states and has National Procurement System status in four member states (the UK, Ireland, Norway and Lithuania). The platform is available in 16 different languages.

EU Supply's shares were admitted to trading on AIM in November 2013.

10. **Management, employees, research and development and locations of the business**

Future business of EU Supply

Through the acquisition of EU Supply, it is expected that the Enlarged Group will have an enhanced offering in procurement and contract management, by being able to offer both current and new customers a wider suite of products and services.

As part of the integration process it is anticipated that EU Supply employee reporting lines will be updated to reflect the ownership structure of the Enlarged Group and within the first four months following Completion, a full review of the EU Supply business will be undertaken to assess any further organisational and structural changes that should be implemented to benefit the Enlarged Group. The parameters of the review have not yet been finalised, however, the review does not supersede the specific stated intentions in this paragraph 10.

Following Completion, subject to the outcome of the review, it is intended that the business of EU Supply will continue to operate in materially the same way as it has been operated prior to Completion.

Employees and management

Mercell attaches great importance to the skills and experience of the existing management and employees of EU Supply and believes that the Enlarged Group would offer employees greater opportunities than would be available if the Transaction did not proceed.

Mercell is confident that the integration of the two businesses can be achieved without undue disruption to the underlying operations of each business and Mercell does not intend to make any material reductions to EU Supply's employee base in the twelve months following Completion.

At a EU Supply management level, in order to release the strategic market potential of the Enlarged Group, Mercell intends to appoint selected members of EU Supply's current management for prominent operational and strategic roles in the Enlarged Group. It is also expected that, conditional upon, and with effect from Completion, the Chairman and the other Non-Executive Director will resign from the Board of EU Supply.

Existing rights and pensions

Mercell confirms that, following Completion, the existing contractual and statutory employment rights, including pension rights, of EU Supply management and employees will be fully safeguarded in accordance with applicable law.

Mercell does not intend to make any material change to the conditions of employment of EU Supply Group employees nor the balance of skills and functions of such employees, save, potentially, for the hire of additional employees into potential new functions in the Enlarged Group.

Mercell has no intention to make any reduction to the level of employer contribution into any of the pension schemes operated by EU Supply. Mercell does not operate any defined benefit pension schemes.

Mercell has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of EU Supply's management nor will it have any such discussions before Completion. It is Mercell's intention to put in place appropriate management incentivisation arrangements following Completion.

Locations, headquarters and fixed assets

The headquarters of the Enlarged Group will be at Mercell's headquarters in Oslo, Norway. Mercell will retain EU Supply's headquarters in Stockholm, Sweden and, subject to the outcome of the above review, has no intention to make any material changes in location or functions of EU Supply's headquarters, operations and places of business.

In addition, no changes are expected with respect to the redeployment of EU Supply's fixed asset base.

Research and development functions

Both EU Supply and Mercell use research and development functions to improve and strengthen their products and services. Mercell intends to continue to support and improve EU Supply's research and development functions with no significant changes expected, save, potentially, for the hire of additional employees to supplement EU Supply's research and development functions.

Trading facilities

EU Supply Shares are currently admitted to trading on AIM. As set out in paragraph 17 of this Announcement, a request will be made to the London Stock Exchange to cancel trading in EU Supply Shares and de-list EU Supply from AIM and re-register it as a private company.

Other

In accordance with Rule 2.11 of the Takeover Code, EU Supply will make available to its employees a copy of this Announcement and will inform its employees of the rights of any employee representatives under Rule 25.9 of the Takeover Code to require that a separate opinion of any employee representatives on the effects of the Scheme on employment be appended to the Scheme Document.

No statements in this paragraph 10 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

11. Offer-related arrangements

Confidentiality Agreement

Mercell and EU Supply entered into the Confidentiality Agreement on 12 February 2019 pursuant to which Mercell and EU Supply have undertaken to each other to keep information provided to each other in connection with the Transaction confidential and not to disclose it to third parties (other than to permitted recipients) unless required by law or regulation.

The Confidentiality Agreement also prohibits Mercell and EU Supply from contacting each other's officers, employees, consultants, advisers, landlords, bankers, customers, clients or suppliers, without the prior written consent of the other, unless they have been designated authorised contacts.

The Confidentiality Agreement includes standstill obligations which, subject to certain exceptions and for a period of one year from the date of the agreement, prohibit Mercell from, amongst other things, acquiring or entering into any agreement to acquire any EU Supply Shares.

The confidentiality obligations of each of Mercell and EU Supply will terminate on the earlier of (i) Completion and (ii) the second anniversary of the date of the Confidentiality Agreement.

Clean Team Agreement

Mercell and EU Supply entered into a clean team agreement on 9 April 2019, which sets out how any information which is commercially and/or competitively sensitive to EU Supply may be shared with Mercell to assist Mercell's evaluation and negotiation of the Transaction.

12. Financing of the Transaction

Liberum, in its capacity as financial adviser to Mercell, is satisfied that sufficient resources are available to Mercell to enable it to satisfy in full the cash consideration payable to EU Supply Shareholders under the terms of the Transaction.

The cash consideration payable to EU Supply Shareholders under the terms of the Transaction will be funded from Mercell's existing cash resources and facilities.

13. Structure of the Transaction and the Scheme Document

Scheme

It is intended that the Transaction will be implemented by way of a court-sanctioned scheme of arrangement of EU Supply under Part 26 of the Companies Act. The Scheme is an arrangement between EU Supply and the Scheme Shareholders to which Mercell will adhere and is subject to the approval of the Court.

The purpose of the Scheme is to enable Mercell to become the holder of the entire issued share capital of EU Supply at Completion. This is to be achieved by the transfer by the Scheme Shareholders of the Scheme Shares to Mercell in consideration for which the Scheme Shareholders on the register of members at the Scheme Record Time will receive the consideration on the basis set out in paragraph 2 of this Announcement. The procedure involves, amongst other matters, applications by EU Supply to the Court to convene the Court Meeting and to sanction the Scheme.

The Scheme Document will include full details of the Scheme, together with notice of the Court Meeting and the EU Supply General Meeting. The Scheme Document will also specify the actions available to be taken by the Scheme Shareholders. It is expected that the Scheme Document, containing further information about the Transaction and notices of the Court Meeting and EU Supply General Meeting, together with the relevant Forms of Proxy, will be published and posted to EU Supply Shareholders as soon as practicable and, in any event, within 28 days of this Announcement (or such later date as is agreed between Mercell, EU Supply and the Panel).

Conditions

The Transaction is subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to be set out in the Scheme Document and will only become Effective if, amongst other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed at the Court Meeting by a majority in number of the Scheme Shareholders voting representing not less than 75 per cent. in value of the Scheme Shares voted, whether in person or by proxy, at the Court Meeting;
- each of the EU Supply Resolutions necessary to implement the Scheme is passed by the requisite majority of EU Supply Shareholders at the EU Supply General Meeting;
- the Scheme is sanctioned by the Court; and
- a copy of the Court Order is delivered to the Registrar of Companies.

If any Condition in paragraph 1(a) of Appendix 1 to this Announcement is not capable of being satisfied by the date specified therein, Mercell shall make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by not later than 7.00 a.m. on the Business Day following the date so specified, stating whether Mercell has invoked that Condition, (where applicable) waived that Condition or, with the agreement of EU Supply, specified a new date by which that Condition must be satisfied.

Scheme becoming Effective

Once the necessary approvals from EU Supply Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become effective upon delivery of a copy of the Court Order to the Registrar of Companies. Subject to the satisfaction of the Conditions or (where applicable) waiver, the Scheme is expected to become Effective early in the third quarter of 2019. The timing of implementation of the Transaction will be dependent on a number of factors including availability of the Court.

Upon the Scheme becoming Effective: (i) it will be binding on all EU Supply Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the EU Supply General Meeting (and, if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of EU Supply Shares will cease to be valid and entitlements to EU Supply Shares held in CREST will be cancelled.

The cash consideration payable under the Transaction will be despatched by Mercell to Scheme Shareholders as soon as possible and no later than 14 days after the Effective Date. Further details in relation to settlement of the cash consideration payable under the Transaction for Scheme Shares held both in certificated and uncertificated form will be set out in the Scheme Document that will be circulated to EU Supply Shareholders.

Lapsing of the Transaction

The Transaction shall lapse if, amongst other things, the Scheme does not become Effective by the Long Stop Date (or such later date as may be agreed between EU Supply and Mercell, with the consent of the Court or the Panel, if required).

14. Further terms of the Transaction

Any EU Supply Shares issued on or before the Scheme Record Time will be subject to the terms of the Scheme. The EU Supply Shares will be acquired by Mercell pursuant to the Transaction fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and any other third party rights of any nature whatsoever and together with all rights now or hereafter attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this Announcement.

In so far as any dividend or other distribution or return of value is authorised, declared, made, paid or payable by EU Supply in respect of the Scheme Shares on or after the date of this Announcement and prior to the Effective Date, Mercell will be entitled to reduce the Offer Price in respect of the Scheme Shares by the aggregate amount of any such dividend, other distribution or return of value except where the Scheme Shares are or will be acquired on a basis which entitles Mercell to receive the dividend, other distribution or return of value and retain it.

15. Interests in EU Supply Shares

Save for the irrevocable undertakings referred to in paragraph 6 of this Announcement or as otherwise disclosed in this Announcement, as at the Last Practicable Date, neither Mercell nor, so far as Mercell is aware, any person acting in concert (within the meaning of the Takeover Code) with Mercell for the purpose of the Transaction:

- has any interest in, or right to subscribe for, any EU Supply Shares nor does any such person have any short position in EU Supply Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of EU Supply Shares;
- has borrowed or lent any EU Supply Shares or securities convertible or exchangeable into EU Supply Shares; or
- is party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code in relation to EU Supply Shares or securities convertible or exchangeable into EU Supply Shares.

16. EU Supply Convertible Loan Notes

EU Supply Convertible Loan Noteholders will be contacted regarding the effect of the Transaction on their rights under the EU Supply Convertible Loan Notes and appropriate proposals will be made and communicated to such holders in due course.

17. De-listing, cancellation of trading and re-registration

EU Supply intends, prior to the Scheme becoming Effective, to make an application to the London Stock Exchange for the cancellation of trading of the EU Supply Shares on AIM to take effect from or shortly after the Effective Date.

The last day of dealings in EU Supply Shares on AIM is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.30 p.m. on that date. On the Effective Date, share certificates in respect of EU Supply Shares will cease to be valid and entitlements to EU Supply Shares held within the CREST system will be cancelled.

If the Transaction is effected by way of a Takeover Offer, it is anticipated that the cancellation of trading of the EU Supply Shares on AIM will take effect no earlier than 20 Business Days following the date on which the Takeover Offer becomes or is declared unconditional in all respects provided Mercell has obtained 75 per cent. or more of the voting rights of EU Supply.

The EU Supply Resolutions are expected to contain a resolution to re-register EU Supply as a private company, conditional on the Scheme becoming Effective. Therefore, on or shortly after the Effective Date, EU Supply is expected to be re-registered as a private company.

Delisting will significantly reduce the liquidity and marketability of EU Supply Shares. If the Transaction is effected by way of a Takeover Offer and such offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Mercell intends to exercise its rights to acquire compulsorily the remaining EU Supply Shares in respect of which the offer has not been accepted.

18. Fractional entitlements

Fractions of pence will not be paid to Scheme Shareholders and cash entitlements will be rounded down to the nearest penny.

19. Overseas Shareholders

Overseas Shareholders may be affected by the laws of other jurisdictions in relation to the Transaction or the Scheme. Overseas Shareholders should inform themselves about and observe all applicable legal requirements.

The availability of the Transaction to persons who are not resident in, and the distribution of this Announcement to persons who are not resident in, the United Kingdom may be affected by the laws of the relevant jurisdiction in which such persons are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. EU Supply Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the jurisdiction without delay.

Further details in relation to the treatment of Overseas Shareholders for the purpose of the Transaction will be contained in the Scheme Document.

20. Documents on display

That inside information is set out in this Announcement, therefore, those persons that received inside information in a market sounding are no longer in possession of inside information relating to EU Supply and its securities.

Right to switch to Takeover Offer

Mercell reserves the right to elect, with the consent of the Panel, to implement the acquisition of the EU Supply Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, the Transaction will be implemented by Mercell and/or one or more wholly owned subsidiaries of Mercell on substantially the same terms as those which would apply to the Scheme (subject to such amendments as are appropriate for an acquisition being made by way of takeover offer under Part 28 of the Companies Act, including, if the Panel so agrees, an acceptance condition set at up to 90 per cent. of the shares to which such Takeover Offer relates or at such other lower percentage as Mercell may, with the agreement of EU Supply and subject to the rules of the Takeover Code and with the consent of the Panel, decide, provided that if it became or was declared unconditional in all respects, the Transaction would result in Mercell holding EU Supply Shares carrying greater than 50 per cent. of the voting rights in EU Supply).

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). Notice to US Investors

US shareholders should note that the Scheme relates to the shares of a UK company that is a "foreign private issuer" as defined under Rule 3b-4 under the US Exchange Act of 1934, as amended (the "**US Exchange Act**"), is subject to UK disclosure requirements (which are different from those of the United States) and is proposed to be made by means of a scheme of arrangement provided for under English law. A transaction effected by means of a scheme of arrangement for a foreign private issuer is not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable in the UK to schemes of arrangement, which differ from the requirements of US proxy solicitation or tender offer rules. Financial information included in the Scheme Document or other relevant documentation will have been prepared, unless specifically stated otherwise, in accordance with accounting standards applicable in the UK and Norway and thus may not be comparable to the financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

US shareholders should be aware that the Transaction may have tax consequences in the United States and under other applicable tax laws and, that such consequences, if any, are not described herein. Each EU Supply shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Transaction applicable to him.

If Mercell elects to implement the Transaction by means of a Takeover Offer, such Takeover Offer shall be made in compliance with the procedural and filing requirements of the US securities laws at that time, to the extent applicable thereto, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such

Takeover Offer would be made in the US by Mercell and no one else. Further terms of the Transaction

3. Subject to the requirements of the Panel in accordance with the Takeover Code Mercell reserves the right to waive, in whole or in part, all or any of the above Conditions, except any of the Conditions set out in Condition 1 (which cannot be waived in whole).

Conditions 2(a) to (g) (inclusive) must each be fulfilled, determined by Mercell to be or to remain satisfied or (if capable of waiver) be waived by Mercell by no later than a time which is immediately before the commencement of the Court Hearing (or such later time and/or date as the Court may allow), failing which the Transaction will lapse.

4. Mercell shall not be under any obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Transaction may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
5. The Transaction will lapse if the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date (or such later date as Mercell and EU Supply may agree and the Panel and the Court may allow).

Condition 1 and/or any Takeover Offer acceptance conditions adopted on the basis specified in paragraphs 6 or 8 are not subject to this provision of the Takeover Code.
8. Mercell reserves the right to elect, with the consent of the Panel to implement the acquisition of the EU Supply Shares by way of a Takeover Offer as an alternative to the Scheme.

unconditional in all respects, the Takeover Offer would result in Mercell holding EU Supply Shares carrying greater than 50 per cent. of the voting rights in EU Supply).

9. The EU Supply Shares will be acquired by Mercell pursuant to the Transaction fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and any other third party rights of any nature whatsoever and together with all rights now or hereafter attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this Announcement.

Without prejudice to any right Mercell may have, with the consent of the Panel to invoke Condition 2(c)(ii), in so far as any dividend or other distribution or return of value is authorised, declared, made, paid or payable by EU Supply in respect of the Scheme Shares on or after the date of this Announcement and prior to the Effective Date, Mercell will be entitled to reduce the Offer Price in respect of the Scheme Shares by the aggregate amount of any such dividend, other distribution or return of value except where the Scheme Shares are or will be acquired on a basis which entitles Mercell to receive the dividend, other distribution or return of value and retain it.

10. The availability of the Transaction to persons who are not resident in, and the distribution of this Announcement to persons who are not resident in, the United Kingdom may be affected by the laws of the relevant jurisdiction in which such persons are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction.
11. The Transaction will be subject, inter alia, to the Conditions and certain further terms which are set out in this Appendix 1 and those terms which will be set out in the Scheme Document and such further terms as may be required to comply with the provisions of the Takeover Code.
12. The Transaction will be governed by English law and be subject to the jurisdiction of the English courts and to the Conditions set out above.
