Tender document Attachment 5 Tender letter

Tender Letter

AtB AS   Supplier:

We refer to the tender regarding the procurement of Framework Agreement for Analyses of Flexible transport. After reviewing all the documents related to the procurement referred to above, we hereby submit our tender.

We offer to carry out the work in accordance with the requirements and conditions given in the tender documents.

The delivery is offered at the prices as specified in Appendix 5, or as stipulated in the general terms and conditions of the Agreement and other attachments.

We confirm that the tender is in accordance with the tender documents and the draft Agreement, and that all conditions and terms are accepted.

We confirm that we do not have any deviations in our tender related to the invitation to tender, the tender documents or the draft Agreement, cf. Attachment 2 Form for deviations.

We confirm that we accept the terms and conditions mentioned in the Data Processing Agreement, cf. Appendix 11.

Furthermore, we confirm that we accept the Customer's Ethical guidelines for suppliers, cf. Appendix 8.

We also confirm that we accept the Customer's requirements for carrying out the assignment as described in Appendix 1.

The tender is organized in accordance with the disposition in the tender documents, cf. Attachment 1 Form for presentation of the tender.

We confirm that our tender is valid until the date mentioned in the Invitation to tender. Our tender can be accepted by the Customer at any time until the expiry of the validity of the tender.
