Norwegian Mapping Authority Hydrographic Service  
MAREANO project

1	Survey area.....	3
2	Gravimeter .....	3

## 1 Survey area

The NHS will provide digital polygons defining the survey areas. The digital polygon of the total indicated area for this Tender is to be found in

- “Mareano\_2022.zip” (the SHAPE-file is in WGS84, geographical coordinates).

## 2 Gravimeter

The NHS is entitled to have a gravimeter with all its components on board the survey vessel during part or throughout the whole cruise. NHS will supply the gravimeter and take care of the data processing.
