An application for a visit should be directed to HQDEFCONOR/Secretariat. It should be there no later than 30 days prior to the applied visit.

HQDEFCONOR/Secretariat will without delay present the application to the relevant authorities, including the Security Staff, to establish whether the visit can be made or not. If so, the matter will be presented to Chief of Staff/HQDEFCONOR for approval. HQDEFCONOR/Secretariat will then advise the applicant of the decision. If the visit is approved, further coordination and compilation of a visitor's programme will be made in collaboration with the institutions to be visited.

If the visit comprises several staffs, units or other institutions, a main programme will normally be compiled by HQDEFCONOR/Secretariat. If considered practical, the main programme could be compiled and implemented by Service Staffs, Materiel Commands etc.

In addition local programmes will be made if necessary.
