

Lokalisering:

The diagram illustrates the location of the site. It features a north arrow pointing upwards. A compass rose is shown with a shaded area representing the site, and a map of the area with labels A, B, C, and D. The map shows a rectangular area with a smaller rectangular area inside it, and a larger rectangular area to the right. The labels A, B, C, and D are placed around the map to indicate specific locations.
