

Regulation on the operation of NRK during national emergency and wartime

§ 1

The Norwegian Broadcasting Corporation (NRK) is obligated to take special measures to ensure that information from the government reaches the population during times of national emergency or war.

NRK shall prepare and update necessary plans and guidelines for a central and regional preparedness organization. The plans shall be coordinated with the Norwegian National Civil Emergency Plan.

In the construction of NRK facilities, preparedness considerations shall be taken into account.

NRK shall conduct its own exercises to test preparedness plans and participate in exercises with the Norwegian Total Defense.

§ 2

To ensure the implementation of § 1, NRK shall enter into necessary agreements with other national services.

§ 3

Expenses for preparedness planning shall be covered by NRK.

§ 4

NRK may issue additional provisions in accordance with these regulations.
